## DEDICATION

### HERMAN W. GREEN

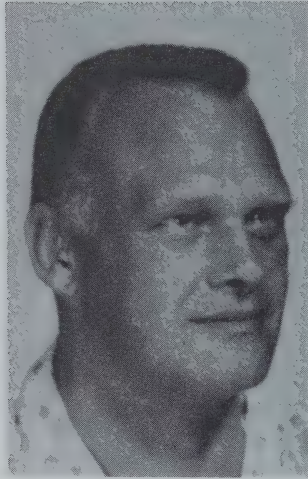

1915 - 1984

Herman W. Green will be sorely missed by the residents of Newton. He coached Little League and Pony League teams for over 25 years, also, he coached the Newton Hockey team. A plaque was presented to him at a Testimonial Dinner in his honor in 1969, in recognition of more than 25 years of dedicated service to the youth of Newton. He was a member of the Newton Volunteer Fire Department for many years with the rank of Lieutenant and served on the Building Committee for the construction of the Center Fire Station. He was a 50 year member of the Eclipse Grange, also belonged to the Odd Fellows Lodge, Knights of Columbus, Newton Lions Club, and a member of the Board of Directors of the Boy Scouts. He served on the first Recreation Commission for the Town and as a Special Police Officer. He was a member of the Rockingham County Forest Fire Warden Association.

Prior to his retirement in 1981, he was Construction Foreman for the State of New Hampshire Highway Department, for which he had worked 39 years.

His wife Dolly, still resides in Newton and their son Maynard is a resident of the State of Washington.

## DEDICATION

### KENNETH A. FIELD

1921 - 1984

Kenneth A. Field served the Town of Newton as a Selectman from 1964 to 1967. He served the State of New Hampshire as a Field Representative for the Civil Defense Agency with the responsibility of formulating evacuation plans for several New Hampshire Communities. Prior to his retirement in 1983, he was serving as Educational Coordinator for the same agency. He was a paratrooper in the U.S. Army during World War II. He had been a former member of the Newton Volunteer Fire Department, Granite State Grange, and Masons - Gideon Lodge. He was an active member of the First Baptist Church of Newton.

After graduating from the University of New Hampshire, he taught school in Amesbury, Mass., Fremont and Exeter, N.H. and Sarasota, Florida. He was the principal of Bakie School in Kingston.

Ken was born in Holden, Mass. and moved to Newton in 1951. His wife, Nancy, still resides in Newton. They have four sons; three living in Florida and one in Newton, and seven grandchildren.

**TOWN WARRANT**  
**1985**  
**The State of New Hampshire Town Warrant**

THE POLLS WILL BE OPEN FROM 10:00 A.M. TO 7:30 P.M.

To the inhabitants of the Town of Newton, N.H. in the County of Rockingham, in said State, qualified to vote in Town Affairs: You are hereby notified to meet at the Town Hall, in said Newton, on Tuesday, the twelfth of March next, at ten o'clock in the forenoon, to choose all necessary Town Officers for the ensuing year by official ballot, and to take other action required to be inserted on said ballot; the polls to be open at ten o'clock in the forenoon and to close not earlier than seven-thirty o'clock in the evening, and thereafter to reconvene at the Sanborn Regional Middle School in Newton, on Wednesday, March 13, 1985, at seven o'clock in the evening for the purpose of acting upon all other matters to come before the Meeting.

1. To choose all necessary Town Officers for the year ensuing. Question on Official Ballot.

2. Are you in favor of the adoption of Amendment #1 as proposed by the Planning Board for the Town Zoning Ordinance as follows:

6. INTERIM GROWTH MANAGEMENT SECTION XIII

A. Authority and Purpose

Pursuant to RSA 674:23, the Town of Newton hereby enacts Interim Growth Management Regulations for the period of one year commencing from March 12, 1985. The purposes of this Article are:

1. to insure that the rate of growth of the Town experienced in the coming year does not unreasonably interfere with the Town's capacity for planned, orderly expansion of its services to accommodate such growth and,
2. to provide time for the Town to update the Master Plan and develop a Capital Improvement Program and growth management process under RSA 674:22.

B. Definition

DWELLING UNIT - means a building or that portion of a building consisting of one or more rooms designed for living and sleeping purposes, including kitchen and sanitary facilities and intended for occupancy by not more than one family or household.

C. Regulations

1. Permits for non-dwelling construction, or permits for the expansion, alteration or replacement of existing dwelling units shall be exempt from the provisions of this Article.
2. Subdivisions consisting of two building lots or less are exempt. These subdivisions may be issued up to two (2) building permits total in this period.
3. The maximum number of building permits issued for the construction of new dwelling units shall be limited to twenty-seven (27) for the period in which the Interim Growth Management Regulations are in effect.

4. A separate building permit shall be required for each dwelling unit proposed for construction.
5. Permits for new dwelling construction shall be granted according to the following schedule:

March -- 2 permits	August -- 3 permits
April -- 3 permits	September -- 3 permits
May -- 3 permits	October -- 2 permits
June -- 3 permits	November -- 2 permits
July -- 3 permits	December -- 1 permit
	January -- 1 permit
	February -- 1 permit

In the event that less than the allotted permits are issued in any month, the unused permits shall be applied to the following month's allotment.

6. Permits shall be issued on a lottery basis; lottery to be conducted at the second Selectmen's meeting of each month. No building permit shall be granted under this Article until the Building Inspector has determined that the proposed construction complies with all other applicable regulations and ordinances of the Town.
7. In the event that an application is selected for a multi-dwelling structure, sufficient permits shall be issued for completion of the number of units in the structure. Where such issue exceeds the monthly allowance, the exceeding number shall be issued and withdrawn from last eligible months of above schedule. Under no circumstances shall total number of permits under this regulation exceed twenty-seven (27).

3. Are you in favor of the adoption of Amendment No. 2 as proposed by petition of the voters for this town?

To allow the Planning Board to regulate the conversion of undeveloped areas, currently zoned residential, in land areas of not less than several contiguous acres and with soil quality and slope conditions in compliance with state and federal guidelines to allow construction of cluster type housing such as townhouses, condominiums or other cluster-type dwellings (excluding multiple dwellings of the rental/lease type) to be consistent in all other respects with town zoning and building rules and regulations. This amendment to be otherwise consistent with all other regulations and rules applicable.

The Newton Planning Board disapproves of this amendment.

4. Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town Zoning Ordinance as follows?

Under Town Zoning Regulations Section XIII, add "The Board of Selectmen may issue temporary trailer permits in Residential and/or Commercial Zones (not Industrial Zones), only if house is rendered uninhabitable for any reason."

"Total length of time for all permits shall not exceed nine months. The Board of Selectmen have the authority to revoke subject permit if reason or reasons for issuance have ceased."

5. To hear reports of Town Officers and pass any vote relating thereto.

6. To see if the Town will authorize the Board of Selectmen to borrow money in anticipation of taxes.
7. To see if the Town will vote to authorize the Board of Selectmen to transfer tax liens and convey property acquired by Tax Collector's deed by public auction (or advertised sealed bid) or in such manner as determined by the Selectmen as justice may require. RSA 80:42.
8. To see if the Town will vote to authorize the Board of Selectment to sell any property of the Town, excluding Real Estate, not used for public purposes, by advertised sealed bids.
9. To see if the Town will vote to authorize the Board of Selectmen to apply for, accept and expend money from the State, Federal or another governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-B.
10. To see if the Town will vote to appropriate and authorize the withdrawal from Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following specific purposes and in amounts indicated herewith or take any other action hereon:

Appropriation	Amount

14. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 as included in the Police budget, in order to increase the Full-Time Police Officer's salary from \$13,500.00 to \$15,500.00 per year.
15. To see if the Town will vote to raise and appropriate the sum of \$7,500.00 to be used for renovations to the upper and lower vestibule of the Town Hall including the stairway. All work will require a minimum of three (3) sealed bids.
16. To see if the Town will vote to raise and appropriate the sum of \$600.00 for the construction of the ramp to the side entrance of the upper hall of the Town Hall.

17. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to replace the handicapped ramp and to repair the front stairs of the Gale Library.
18. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to be placed in a Capital Reserve Fund to be used for the future addition to, or renovation of, the Gale Library.
19. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 to be placed in a Capital Reserve Fund to be used for the future purchase of Police vehicles and equipment for said vehicles.
20. To see if the Town will vote to raise and appropriate the sum of \$10,000.00 to be placed in a Capital Reserve Fund to be used for the future purchase of fire apparatus and equipment.
21. To see if the Town will vote to raise the sum of \$4,400.00 to withdraw the sum of \$7,000.00 from the Police Capital Reserve Fund, and to appropriate a total amount of \$11,400.00 for the purpose of purchasing a new Police cruiser.
22. To see if the Town will vote to raise and appropriate the sum of \$1,300.00 to purchase one (1) Motorola model MT-500 Portable Radio for the Police Department to replace two old R.C.A. Portable Radios.
23. To see if the Town will vote to raise and appropriate the sum of \$2,000.00 to up-grade various fire wells and fire ponds in Newton.
24. To see if the Town will vote to accept and expend State of New Hampshire Highway Block Grant Aid in the sum of \$34,404.50 for the maintenance, construction and reconstruction of Class IV and Class V highways.
25. To see if the Town will vote to pay the Fire Chief an hourly wage, as other firemen, in addition to the present annual salary of \$3,900.00, to be retroactive to January 1, 1984.
26. To see if the Town will vote to raise and appropriate a sum not to exceed \$2,500.00 to purchase and install two (2) welded pipe gates, one at the Merrimac-Newton line on the former B & M R.O.W. (also called "Peanut Track"), and the other at the South Main Street end across from the Central Fire Station.
27. To see if the Town will vote to raise and appropriate a sum not to exceed \$400.00 for making minor repairs and painting at the Marshall House (Town Museum) on Wallace Street.
28. To see if the Town will vote to raise, appropriate and authorize the Planning Board to expend up to \$5,000.00 for consultant fees, printing, etc., for the Master Plan.
29. To see if the Town will vote to raise and appropriate the sum of \$1,635.00 to purchase a document feeder and sorter attachment for the copier in the Selectmen's Office.

34. To see if the Town will vote to raise and appropriate the sum of \$550.00 as a contribution to the Newmarket Health Center bus for the elderly.

35. On a petition of ten or more legal voters, to see if the Town will vote to raise and appropriate the sum of \$500.00 to assist the Rockingham Child and Family Services.

36. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 to join the Family Mediation Program of Southern Rockingham County. Said program has lowered the cost of Juvenile Care, offering an alternative to court placements and Juvenile Officer's overtime work load.

37. To see if the Town will vote to raise and appropriate the sum of \$3,336.90 for the support of the work of the Center for Life Management.

38. To see if the Town will vote to raise, appropriate and authorize the Board of Selectmen to expend up to \$3,500.00 for an engineering study to close the Kingston land fill.

39. To see if the Town will vote to raise and appropriate the sum of \$536,758.00 to defray Town charges for the ensuing year, including all charges as shown in the Town Budget as posted with the Town Warrant.

40. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Board of Selectmen, to appoint a deputy Treasurer. Said deputy shall be sworn, and shall have the powers of the Treasurer. RSA 41:29-a

41. To see if the Town will vote to amend Article VI, Section 6 of our Building Codes from:

"A fee of one cent per square foot with a minimum fee of \$5.00 shall accompany each application for a permit."

to:

"Fees for building permits shall be decided by a public vote of the Board of Selectmen. Schedule of fees shall be posted in the Town Hall. Fees shall cover all costs of printing permits and render a fee for the Building Inspector."

42. On a petition of ten or more legal voters, to see if the Town, out of concern for the health and safety of its citizens, will instruct its Board of Selectmen and other appropriate public officials to work cooperatively with the New Hampshire Civil Defense Agency and other involved state agencies to help improve the Town's draft Emergency Response Plan which has been prepared in order to protect the Public in the event of an accident at Seabrook Station or any emergency such as a major fire, flood, storm or toxic spill and, in so doing, to participate in the exercise conducted in cooperation with state and federal officials to test the plan. This article is not intended to constitute final approval by the Town of the draft Emergency Response Plan.

43. To transact any other business that may legally come before the meeting.

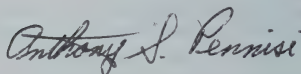

Given under our hands and seal this 11th day of February in the year of our Lord nineteen hundred and eighty-five.

Moved and seconded.

On a motion by Roland Estabrook, it was voted to amend the article to add, "with the stipulation that N.H. Public Service provides the Town of Newton with communications equipment deemed necessary by the Newton Police Chief, the Newton Fire Chief and the Newton Civil Defense Director".

The article as amended was approved by voice vote.

Article 34. To see if the Town will vote to adopt the following resolution:

"Given that the Board of Selectmen conveyed title to a parcel of land, located on Thornell Road, which had been taken by the Town in default of redemption from a tax sale, to Ida Hanson in 1935 without approval of the Town, and Given that the subject parcel of land was purchased by Judith Raymond in 1969, who learned that because the Board of Selectmen did not have authority, the parcel of land has a cloud on the title, now therefore, Be it Resolved that the Board of Selectmen is authorized to issue a Confirmatory Deed for the property, in order to remove the cloud on the subject parcel of land."

Moved and seconded. Carried by voice vote.

Article 35. To transact any other business that may legally come before the meeting.

On a motion by Mary Allen, it was voted to accept and affirm the following resolution:

"The Town of Newton recognizes and affirms that an individual's rights and equal protection of the laws cannot be denied because of a handicapping condition or disability; that it is the policy of this State and this town to guarantee the equal rights of all its citizens; and that the Town will assist handicapped residents as they assert those rights in living within the community."

On a motion by Kenneth Pelletier, it was voted to approve the following:

"To see if the Town of Newton shall call upon the Governor and Executive Council, its State Representatives and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Newton, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire."

Horace Williams asked that those present give the Moderator, James J. Triquet, a rising vote of thanks for his service as Moderator.

Kenneth Bowers thanked Mrs. Allen for her work and service to the Town as a member of the Board of Selectmen.

Katherine Koob asked why the clock in the cupola of the Town Hall is not running, as it was voted to have it fixed previously.

On a motion by Mr. Pelletier, it was voted to approve the following:

"To have the Selectmen of Newton, N.H. contact our Federal Representatives (House & Senate), the appropriate EPA officials, our current President and all candidates for the office of President as to the support of the citizens of the Town of Newton, N.H. for the following three items:

1. Our support for the Toxic Bill of Rights currently being proposed by the Clean Water Action Project and other citizen and environmental groups.

2. Our support for the re enactment and strengthening of the following programs, SWDA RCRA, Clean Air Act, TOSCA and CONCLA.

3. Our support for all efforts to bring the ERA budget back into line with the programs it currently administers so that we can receive the proper protection and safeguards we need."

On a motion by Mr. Pelletier it was voted to approve the following:

"To have the Selectmen of Newton, N.H. take an active role in initiating a Regional Environmental/Safety/Health District comprising the approximately 15 towns in southeast N.H. to work as an advisory Board to these towns on the following issues:

1. Current and future means of disposing of rubbish which is currently being brought to one of several sanitary land fills.
2. Location, use, transportation of hazardous material and waste.
3. Protection of ground and surface water supplies.
4. Aid Planning Boards, Conservation Commissions, and Boards of Selectmen on environmental issues.
5. The transportation, storage and treatment of septage.
6. To advise the appropriate town officials of possible Federal and State programs that may apply in individual situations and possible grant monies that may be available.
7. Conduct education programs within the local schools and for the general public.
8. Other appropriate areas of concern."

Meeting adjourned.

## REPORT OF THE CHIEF OF POLICE

As my second year as your Chief of Police draws to a close, I want to say that it was a busy year for the Department. The incidence of burglaries, thefts and criminal mischief has remained at about the same level. This is still 45% lower than in 1983, but I would like to see these crimes come down more.

The Neighborhood Crime Watch Program is in full operation. The Department has an audio-visual program which I use to talk to groups; and I am pleased that I have been able to give this presentation to approximately 15 groups during the past year. Crime Watch window decals and brochures have been distributed and are available at the Station. We found a sponsor for the program because of the expense involved. The Lions Club of Newton has sponsored and funded the purchase of decals that are on your windows and the large reflecting metal Crime Watch street signs which have been placed on poles on each major road leading into Newton. The Lions Club is continuing to fund the program and we are currently ordering more decals and street signs and bumper stickers. I thank them for all the support and making it possible to expand the program. There are still many neighborhood groups which have not yet become involved; and I extend a sincere invitation to them to contact me to arrange for me to meet with your group.

Remember, it is only through being alert, observant and caring about our Town and neighbors that the incidence of crime can be reduced. The Police cannot keep you, your homes and property safe without your help and cooperation.

During 1984 the Department logged 1912 calls for service which is a 23% increase over 1983 when we logged 1469 calls.

I want to call your attention to the N. H. Child Passenger Safety Law which requires seat belts for all children 5 years of age or under. Last year in the United States 600 children under age 4 lost their lives and 56,700 were severely injured in motor vehicle accidents. Most of these children would be alive and well today if they had been properly buckled into a child safety seat. Several people have asked me which is the best safety seat to buy; and I want to point out that all of the Child Safety Seats manufactured after January 1, 1981 meet Federal Safety Standards and provide the same crash protection. There is no one seat that is best for every family. All cars are different and not all seats will fit into every car; but the one you choose must fit into the car securely.

You may have wondered why the newspapers no longer carry the Police Log and monthly statistical information, and I thought I should tell you that this was a decision made by newspaper management. The following is our yearly statistical report:

## NEWTON FIRE DEPARTMENT

December 31, 1984 brings to a close another list of fires and rescue calls. When reviewing the calls, it makes me wonder how many incidents could have been prevented. Many auto accidents could be prevented by not driving after drinking, not driving too fast, especially with adverse road conditions. Accidents around the home are often caused by items left on stairs, use of poor ladders, and mistakes in using all kinds of power tools.

Fires often start by an innocent child experimenting with matches or lighters. Extension cords get used and worn, often causing problems. Electrical circuits get overloaded and fuses get replaced with larger capacity ones that cause wires to heat and start fires.

If you would think about how some of these may affect your family, possibly a few minutes could save a member or members of your family a lot of grief or pain or even a life.

The members of the fire department are and have been for years, spending many of their hours training and drilling to become or stay proficient in the many tasks required of them. I would like to take this opportunity to thank them and their families for the many hours they have devoted to this. Without this you do not get the excellent services the Town of Newton has been getting.

I would like to thank the members of the Department and the residents of Newton for their cooperation and help for the past six years that I have served as Fire Chief. Without all of their efforts, the accomplishments we have made would not have been possible.

Effective January 1, 1985, Robert Davenport became Fire Chief. I hope everyone will support him as well as they did me, as he continues to lead the Department and meet the challenges of the future.

Respectfully submitted,  
Roland D. Estabrook  
Fire Chief

## GALE LIBRARY

### TRUSTEE'S REPORT

1984 was a "back to normal" year for the Gale Library. Our Library Director, Irene Nally, and Librarian, Susan Peterson, have made commendable contributions to the library. Irene has been an efficient administrator of our staff and has been responsible for the operation of the Marion Kalashian Room, our young adult area. Susan has enthusiastically selected our adult books and has supervised the children's area and the adult section downstairs. The entire staff has made 1984 a beneficial year for all of us.

The Trustees were able in 1984 to use excess funds from the 1983 budget for refurbishing the downstairs of the library and new shelving in the Marion Kalashian Room. The improvements increased the staff's work space and made room for efficient use of the word processor. A large closet became a room for use of the copier in a private atmosphere for our patrons. Everything was painted in a bright yellow to retain the library's cheery appearance.

The Trustees purchased a Video Cassette Recorder and a television with the generous donation of the MM Club. The movie programs for the young adults have been very successful.

The Trustees cannot discuss 1984 without acknowledging the continued support of the Friends of the Library. This group has received an award from the state organization for their creative and enthusiastic contributions to the library. The Friends' fundraisers are always lots of fun and have enabled the library to buy a display case for exhibits and a circulation desk for the young adult room.

The Gale Library is looking forward to increasing its service to the people of Newton in 1985. We are opening the library additional hours on Friday nights. We are again asking an addition of \$5,000 to the Capital Reserve Fund set up for a library addition. We hope to use interest income to consult an architect about such an addition.

The Trustees look forward to 1985 with enthusiasm and pride. The library is an important cultural and social center of Newton.

Respectfully submitted,

Marylou Fowler  
Sue Mears  
Betsy Eaton

## GALE LIBRARY

This year has been a most rewarding one at the library. Many of the projects begun last year have been completed. The collection has been weeded according to methods approved by the State Library Office, the charge desk and office areas have been painted, and the new charge desk for the Young Adults room, a gift from the Friends of the Library, is in place. The Friends also donated the funds to purchase a lovely display cabinet for downstairs and we are looking forward to making the cabinet available to anyone who wishes to share a collection or display with library patrons.

As the physical plant has been improved, we have tried to improve our methods of book selection. In doing so, we have taken into account our patrons' interests, our budget, and the most up-to-date review materials available to us. We have also tried to build on the relationship with the schools that was established by our predecessors so that we have the supplemental research materials that our students need to do their best work. We also rely on the recommendations of our patrons to bring new books, new authors and new subjects to Gale Library.

Your reaction to the changes has been positive and we hope to continue to offer a library that is responsive to the needs of Newton readers. Special thanks are in order to the Friends of Gale Library under the leadership of Nancy Fowler. They have been an enthusiastic support group that has provided a number of fine programs that have benefited the community at large as well as the library. We also wish to thank Ruth Bragg, our newest volunteer, and Alice Litwinovich who has contributed her time when we most needed it.

Newton can take pride in the fact that it has unstintingly supported the philosophy of free public libraries. We appreciate that support and will continue to offer you our best efforts and willing cooperation.

We enjoy seeing you at the library; come in often.

### INDUSTRIAL DEVELOPMENT COMMISSION

The Industrial Development Commission met several times during 1984. The principal agenda topic was the Industrial Zone on Route 108.

In early 1984, the Richard Sargent Estate Heirs contracted with LandVest, Inc. of Boston to market the Route 108 property.

The Commission met with LandVest, a potential Industrial site occupant and several members of various State organizations relative to bringing industry to our town.

## REPORT OF ANIMAL CONTROL OFFICER

During 1984, the entire animal control record files were computerized. All dog owners were placed into a computer file with all license information since 1981 included. This computerized list will be updated each year with new inventory information as well as new license information. Such record keeping has streamlined the entire process of keeping track of the hundreds of dogs and their owners living in Newton.

A total of 405 dogs were licensed during 1984 with only two months remaining to secure the 1984 licenses.

An Assistant Animal Control Officer, Jerry Melius, 1 Merrimac Road, Newton, was named in August. He is available when the regular officer is not. The Assistant's telephone number is 382-7340.

Your cooperation and assistance in animal control during 1984 has been appreciated. I look forward to 1985.

## REPORT OF HEALTH OFFICER

This report covers the period of May 15, 1984 to January 15, 1985. I took over the responsibilities of Health Officer for the Town of Newton after appointment to this position in May by the Board of Selectmen. This has been a very busy year and has been one that has broadened the horizons of the Health Officer.

I have been keeping track of all studies and clean-up operations at the hazardous waste site in Kingston (not far from our border). I have been involved in the formation of the Greater Kingston Sanitary District. This group will meet formally for the first time early this year.

Newton will participate in N.H.'s first homeowner's Hazardous Waste Day in May of this year. Early this year, the Board of Health will conduct a public hearing to discuss prior review of NEW septic systems.

In summary, this was a growth year for the Health Officer in respect to responsibilities and areas of concern in order to keep up with the demands of our community.

18 septic system repairs	5 landlord complaints
6 dog bites	2 food poisoning cases
3 neighbor complaints - septic systems	

## MASTER PLAN COMMITTEE REPORT

The N.H. RSA 674:3 states: "The Master Plan shall be made with the general purpose of guiding and accomplishing coordinated and harmonious development which will, in accordance with existing and probable future needs, promote health, safety, order, convenience, prosperity, or the general welfare as well as efficiency and economy in the process of development".

The Master Plan includes objectives, present and future land use proposals, housing needs, transportation and public service requirements, community facilities (schools, libraries, historic sites, etc.), recreational facilities, conservation requirements and a plan for capital improvements. In summary, the Master Plan is a tool to guide Newton from the present into the future.

The Master Plan Committee has successfully completed and distributed to all residents, 18 years or older, a survey. The goal of the survey is to gather the wishes and desires of the people, to guide the generation of the plan for our town. Currently we are compiling the information from these surveys.

1985 promises to be a busy year for the Committee. To anyone wishing to become involved, we meet every Thursday at the A. Marian Hatch Building, 22 South Main Street. Your presence and ideas are welcome.

Respectfully submitted,  
Anthony S. Pennisi, Chairman

## NEWTON PLANNING BOARD REPORT - Year Ending 1984

The Newton Planning Board held 28 meetings, 10 of which were Public Hearings, 3 Special Work Sessions, and 5 Non-Residential On Site Reviews.

There were 2 plans signed for recording purposes only. Seven plans were presented for Subdivisions and were approved and signed, and a total of 13 lots released. Also, two Non-Residential Site Plans were submitted and approved.

Rockingham Planning Commission worked with the Board on the formulation of the Mobile Home Legislation. The Ordinance to allow Mobile Homes on a 20 acre minimum subdivision in Residential areas was adopted by the townspeople in March 1984.

The Commission also met with the Planning Board on the Master Plan preparations and a committee was appointed.

The Planning Commission in this past year has spent many hours of discussion working with the Board on an Interim Growth Control Ordinance. The one year Interim Growth Control Ordinance will be presented to the townspeople on the ballot in March of 1985.

Elections were held June 26, 1984. David Leduc was elected Chairman, Kip Kaiser, Vice-Chairman and Suzanne Ryan, Secretary. Kenneth Pelletier was voted a regular member.

The Board meets the 2nd and 4th Tuesday of the month at 22 South Main Street, in the A. Marian Hatch Building. The Planning Board will be working on such issues as re-zoning commercial land, growth, water and septage management and will work with the Master Plan Committee in these efforts. The Planning Board looks forward to your participation on these issues, and any concerns you the townspeople have. All meetings are open to the public and all input is welcome.

Respectfully submitted  
The Planning Board

### RECREATION COMMISSION

Last year we made a few more improvements in the recreational areas, as each year we are trying to make them better so that they may be used to the fullest extent possible. A general cleaning was done at both areas and the debris has been removed but there is more cleaning to be done in the spring to make these areas more usable.

Another section of fence has been installed at the town beach. Hopefully, this will help to prevent cars and bikes from driving on the beach area and creating holes and ruts which have to be filled.

The Swim Program began on July 7, and finished on August 24. Classes were held twice a week; Tuesday and Friday mornings. Instruction was provided by Vivian Law, W.S.I., an employee of the Haverhill Chapter, American Red Cross, and Lynn Pekalsky, W.S.A., hired by the Recreation Commission at a salary of \$250.00. There were five classes of instruction. Three classes were held for beginners with 29 enrolled, 17 passed. The Advanced Beginners class enrollment was 15 of which 10 passed. Because of the time constraints and class size, the Intermediates and Jr. Life Savers were in the same class. There were no swimmers in this group. Of the 5 Intermediates, 3 passed. All 5 of the Jr. Life Savers passed the course.

The tennis lessons were held again at the Heath Street area under the direction of Nelson Currin of Hampstead, N.H. who is a qualified instructor. There was a fair response for that activity.

Our apologies to the people in town who were inconvenienced by the lack of restroom facilities at the two areas. We have now purchased three portable chemical toilets to eliminate this problem.

We are in the process of purchasing a new raft for the town beach. Hopefully, it will be ready in the spring. We are also in the process of purchasing 2 permanent outdoor grills to be set up at the town beach for those people who wish to spend a day there. At the Heath Street Recreation Area, we are planning to start a playground for the youngsters of anyone using the area. We are also trying to have the drinking water supply available again.

I would like to personally thank the members of the Recreation Commission and special helpers for their help in making our year and

our areas, a success.

Respectfully submitted,  
Leslie Hollinrake  
Newton Recreation Commission

### REPORT FROM NEWTON CONSERVATION COMMISSION

The Conservation Commission Tree Cutting Program has been in full swing for the fifth year, but will be sharply curtailed in 1985. There is a lot of new growth where the old trees have been cut but it will be a while before these areas need thinning again.

Members of the Conservation Commission installed a safer bulkhead at the Marshall House (Town Museum) as the old one was pretty well rotted. There are several areas that need attention in the house, the hall floor and the cellar steps especially and some painting and fixing up on the outside.

The Conservation Camp, to which we usually send a young person, was held quite early in June before school was out here. The Commission intends to send two young people (age 14 or over) this year providing camp is at a later date.

Members met with Merrimac Selectmen to discuss problems of 4-Wheel vehicles driving the "Peanut Track" and destroying private property. They also attended several Selectmen's Meetings and Hearings of the Planning Board, met with the Rockingham Planning Commission Staff and with other organizations of the Town to discuss recreation areas and programs.

## EXETER AREA VISITING NURSE ASSOCIATION, INC.

1984 marked the seventeenth year that the Exeter Area Visiting Nurse Association has provided professional and caring health services to the residents of the Exeter area. From 1958 to mid 1967 the Exeter VNA employed one nurse who visited within the town of Exeter only. Seventeen years later, the Exeter Area VNA is providing skilled and therapeutic services to a population of over 40,000 in twelve towns. The caring and the warmth are still very much evident as the staff provides many more services with up-to-date skills and competence. The Agency has increased from one nurse to a staff of thirty-one, including therapists, nutritionists, physicians and nurse specialists.

16,352 units of service were provided by EAVNA staff during 1984, seven days a week and twenty four hours a day. The EAVNA provides Home Care today that meets the increased and frequently technical needs of its clientele as hospitals are discharging patients "quicker and sicker". People are now in need of health services at home that before were thought to be only possible in a hospital. The EAVNA staff is skilled and current in it's knowledge and abilities.

The services provided in 1984 by programs are:

- CARE OF THE SICK - 12,343 visits - These include home and office visits by nurses, aides and therapists.
- MATERNAL AND CHILD HEALTH - 1,474 units of service - includes home visits and clinic services.
- ADULT HEALTH - 2,535 units of service - includes Blood Pressure Screenings, Foot Care, Sugar and Iron, Health Risk Appraisals, Diptheria and Tetanus, Flu Protection, Health Teaching and Nursing Assessments.

The Agency continues to provide a clinical setting for Home Health to students from area schools and universities.

The shift of health care from hospitals to home and community, which began a few years ago, is proving to be cost effective and preferred by many.

Respectfully submitted,  
Marie Sletterink, Representative  
VNA Board of Directors

## ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

Rockingham County Community Action Program, Inc. is a private, non-profit agency which has been dealing with the needs of low-income people since 1965. Our activities are of two kinds:

- (1) those directed at serving immediate, individual needs, and
- (2) those designed to involve communities in developing solutions to meet the specific needs of their local areas.

As an anti-poverty agency, Community Action addresses the needs of the low-income community by providing direct services, mobilizing community resources and encouraging people to advocate on their own behalf. Our outreach efforts are conducted primarily through Community Action outreach centers located in Portsmouth, Seabrook, Raymond and Salem.

While the goal of Community Action remains constant, the specific services offered vary somewhat from year to year in accordance with local needs and the availability of funding. The programs offered to Rockingham County residents during the past year include the following:

FUEL ASSISTANCE PROGRAM - 54 Newton residents received \$27,987.00

Description: The Fuel Assistance Program provided a financial grant of up to \$500.00 to income-eligible households during the 1983-84 winter to assist with energy-related expenses. Severe hardship recipients also qualified for up to \$150 of additional aid through a supplemental fuel assistance program.

WEATHERIZATION PROGRAM - 6 Newton residents received \$1,666.00

Description: The Weatherization Program provides quality materials and a trained staff to weatherize homes of income-eligible individuals in order to reduce heating costs and conserve energy.

HEAT SOURCE REPAIR PROGRAM - 2 Newton residents received \$2,825.00

Description: The Heat Source Repair Program provides for the repair or replacement of furnaces and heating units for low-income homeowners.

FAMILY DAY CARE PROGRAM - 4 Newton residents received \$1,855.00

## **NEWMARKET REGIONAL HEALTH CENTER**

Utilization of the Senior Citizen Transportation Service has enabled seniors to remain independent, self-sufficient and active through the provision of transportation to needed services, including medical, shopping and recreational trips. It is the goal of this service to eliminate barriers which frequently obstruct elderly and handicapped individuals from maintaining self-sufficiency.

Over 811 rides will be provided to Newton senior citizens in 1984. The Newmarket Regional Health Center now has five vans of which three are equipped with hydraulic lifts to accommodate individuals confined to wheelchairs. This service is available to Newton residents.

Each dollar appropriated by Newton has enabled the Newmarket Regional Health Center to provide these services to your town. We would appreciate your continued support and would be more than happy to provide any additional information which you may need.

Respectfully submitted,  
Ann H. Peters  
Executive Director

## **ROCKINGHAM PLANNING COMMISSION REPORT**

The Rockingham Planning Commission is a multi-purpose agency, often called the General Store for Planning Boards and Selectmen.

Some of the services this year included:

Discussions with Planning Board regarding manufactured housing zoning amendment proposals; providing information on review of dredge and fill permits in wetlands; working with Master Plan Committee and Conservation Commission; distributing copies of State Legislation dealing with planning and land use regulations.

The Commission also organized and hosted a Legislative Get-Together to inform local legislators of the functions of the Commission, the need to work together as a region and the necessity of protecting our groundwater.

Commissioners, Kip Kaiser and Myrtle Rogers attended the monthly meetings, worked on the Legislative Get-Together and Mrs. Rogers attended the Annual Regional Planning Conference in Portland.

Respectfully submitted,  
Myrtle B. Rogers

## ARTICLE 3 of the WILL OF EMMA GALE HARRIS:

"For the benefit of my native town of Newton, Rockingham County, New Hampshire, I give and bequeath to Harris Trust and Savings Bank, its successor or successors and its or their assigns, the sum of Twenty-five thousand dollars (\$25,000) to be known as the "Gale Memorial Fund" in memory of my parents, Dr. Jonathan Greeley Gale, who there practiced medicine for forty years, and my mother, Susan Shaw Gale, whose noble character and unselfish love were an inspiration to all who knew her, said fund to be held by my said Trustee upon the following trusts, that is to say:

"From time to time to disburse the net income from said Trust Fund for the benefit of the sick poor of said community, or in any other way which shall accomplish the greatest good for said town, upon the recommendation of the Board of Selectmen of said Town of Newton, subject, however, to the approval of my sons, Hayden Bartlett Harris and Stanley Gale Harris, or the survivors of them."
